Independent Auditors' Report

To the Board of Directors of International Leadership of Texas, Inc.

Opinion

We have audited the accompanying financial statements of International Leadership of Texas, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements are presented fairly, in all material respects, the financial position of International Leadership of Texas, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Leadership of Texas, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Leadership of Texas, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of International Leadership of Texas' internal
 control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Leadership of Texas, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information listed in the accompanying table of contents is presented for purposes of additional analysis as required by the Texas Education Agency and Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplemental information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 26, 2022 on our consideration of International Leadership of Texas, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of International Leadership of Texas, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering International Leadership of Texas Inc.'s internal control over financial reporting and compliance.

1. School and Nature of Activities

International Leadership of Texas, Inc. (Corporation), is a Texas not-for-profit corporation formed in 2011 and exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code. Effective October 20, 2020, the Corporation changed its name from International American Education Federation, Inc. to International Leadership of Texas, Inc. The Corporation is governed by a Board of Directors comprised of six members. The Board of Directors is selected pursuant to the bylaws of the Corporation and has the authority to make decisions, appoint the chief executive officer of the Corporation, and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the Corporation. The Corporation operates a single charter school, International Leadership of Texas (ILTexas).

ILTexas is a state authorized, open enrollment charter school incorporating leadership and culture into all student classrooms. Students are given leadership roles teaching the concept of others before self. Each year, students put their dedication into action in a community service project and spend time learning 12 important character traits that foster a good leader. These traits empower students to overcome challenges to create a better, and more productive society in which to live and work. Stated directly, the mission of ILTexas is to prepare students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish, and Chinese languages, and strengthening the mind, body and character. In 2018, the Texas Education Agency approved the ILTexas charter renewal through 2028.

In 2013, its first year of operations, ILTexas opened its doors to over 2,400 students. This rapid growth has continued and, for the school year ended June 2022, ILTexas served over 19,500 students at 35 campuses among 21 locations. Now, at the opening of the 2022-2023 school year, ILTexas currently serves over 22,000 enrolled students.

2. Summary of Significant Accounting Policies

Basis of Accounting and Financial Statement Presentation

ILTexas prepares its financial statements on the accrual basis of accounting in accordance with accounting principle generally accepted in the United States of America (GAAP).

Net assets and revenues, expenses, gains and losses are classified based on the existence and nature or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net assets without donor restrictions - Net assets not subject to donor or grantor imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the board of directors. Where applicable, net assets without donor restrictions remain subject to state accountability.

Net assets with donor restrictions - Net assets subject to donor or grantor restrictions that will be met by actions of ILTexas and/or the passage of time. When a restriction expires, net assets with donor or grantor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Credit and Market Risk Concentrations

Financial instruments which are potentially subject to concentrations of credit risk consist of cash and cash equivalents and accounts receivable. Cash and cash equivalents are placed with high credit quality financial institutions to minimize risk. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2022 ILTexas had \$29,749,971 that were uninsured or without pledged collateral in ILTexas' name.

During the years ended June 30, 2022 and 2021, ILTexas earned revenues of \$243,238,472 and \$226,007,354, respectively, from the Texas Education Agency (TEA). These amounts constitute approximately 98% and 95%, respectively, of total revenues earned. Any unforeseen loss of the charter agreement with TEA or changes in legislative funding could have a material effect on the ability of ILTexas to continue to provide the current level of educational services to its students.

Cash and Cash Equivalents

ILTexas considers all highly liquid investments with original maturities of three months or less to be cash equivalents. Restricted cash and cash equivalents is limited as to use under the terms of the bond indenture.

Property and Equipment

Property and equipment are stated at cost, if purchased, and at fair market value, if donated. Assets with a cost of \$5,000 or more and a useful life greater than one year are capitalized.

Property and equipment acquired with public funds received for the operation of ILTexas constitute public property pursuant to Chapter 12 of the Texas Education Code. Depreciation of these assets is calculated on a straight-line method over the estimated useful lives of 3 to 40 years. Expenditures for additions, major renewals, and betterments are capitalized, and maintenance and repairs are charged to expense as incurred.

Impairment of Long Lived Assets

ILTexas reviews the carrying value of long-lived assets to determine if facts and circumstances suggest that they may be impaired. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. There were no indications of asset impairment during the years ended June 30, 2022 and 2021.

Debt Issuance Costs and Original Issue Discounts or Premiums

Debt issuance costs and original issue discounts or premiums represent costs incurred related to the issuance of bonds payable and are deferred as a direct deduction from or addition to the carrying amount of bonds payable. Debt issuance costs are amortized on a straight-line basis and premiums and discounts are amortized using the interest method over the related bond period. Amortization expense is included in debt service in the accompanying statement of activities.

Revenue Recognition

Revenues from the state of Texas are earned based on reported attendance. Public and private grants received are recognized in the period received and when the terms of the grant are met. If public and private terms are not met revenues are reimbursed to funder. Conditional promises to give are contingent upon ILTexas meeting certain criteria specified by the donors. Revenues from conditional promises to give are not recognized until the condition has been fulfilled, advances received from donors are recorded as deferred revenues until the condition has been fulfilled.

A portion of ILTexas' revenue is derived from cost-reimbursable contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts are recognized as revenue when ILTexas has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. Cost-reimbursable grants that have not been received or recognized at June 30, 2022 consist of the following:

Special Education Grants to States (IDEA, Part B)	\$ 1,631,020
Career and Technical Education - Basic Grants to States (Perkins V)	114,945
COVID-19 - Education Stabilization Fund Under the Coronavirus Aid,	
Relief, and Economic Security Act II	11,753,950
COVID-19 - Education Stabilization Fund Under the Coronavirus Aid,	
Relief, and Economic Security Act III	28,555,964

English Language Acquisition State Grants	143,466
Student Support and Academic Enrichment Program	42,642
COVID-19 School Health Support Grant	299,162
	\$ 43,367,801

ILTexas recognizes contribution revenue for certain services received at the fair value of those services, provided those services create or enhance non-financial assets or require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Numerous individuals donate significant amounts of time to ILTexas. No donated services were utilized that met the criteria to be recorded as revenue in ILTexas' financial statements.

Federal Income Taxes

ILTexas is organized as a Texas nonprofit corporation and have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. ILTexas is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, ILTexas is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purposes. For the years ended June 30, 2022 and 2021, ILTexas did not conduct unrelated business activities that would be subject to federal income taxes and had no uncertain tax positions. Therefore, no tax provision or liability has been reported in the accompanying financial statements.

GAAP requires the evaluation of tax positions taken in the course of preparing ILTexas' annual Form 990 and recognition of a tax liability (or asset) if ILTexas has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax position and has concluded that as of June 30, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain reclassifications have been made to the June 30, 2021 financial statements to be consistent with the June 30, 2022 presentation.

Contract Compliance

ILTexas is responsible for compliance with provisions of contracts and grant agreements. Noncompliance could result in the disallowance of expenditures and a request for return of funds. In the opinion of ILTexas' management, such disallowance, if any, would not be significant to ILTexas' financial statements.

Personal Leave

All employees of ILTexas earn five days of state personal and sick leave per year and three days of local personal and sick leave per year. There is no material liability for unpaid accumulated sick leave since the schools do not have a policy to pay any amount when the employees separate from service with the schools, and any unused balance of state days is transferable to other schools. The local days, if not used, are forfeited at the end of each year.

3. Restricted Cash and Cash Equivalents

Certain cash and cash equivalents are held in trust, which includes amounts required to be maintained in separate bank accounts in accordance with the 2015, 2018 and 2021 Series Master Trust Indenture and Security Agreements. Cash and cash equivalents held in trust and interest income earned on these funds are limited as to use under the terms of the bond indenture.

Restricted cash and cash equivalents held in trust were restricted as follows at June 30:

On June 1, 2015 ILTexas issued \$105,680,000 Education Revenue Bonds – Series 2015A and \$5,360,000 of taxable Education Revenue Bonds – Series 2015B. The bonds mature serially each August 15, starting 2018 until 2045. The bonds were issued as education revenue bonds, and have interest rates ranging from 4.625% to 6.25%, and are collateralized by a deed of trust and pledge of revenues of ILTexas.

On September 15, 2018 ILTexas issued \$53,580,000 Education Revenue Bonds – Series 2018A, \$1,570,000 of Taxable Education Revenue Bonds – Series 2018B, \$1,615,213 Subordinate Education Revenue Bonds – Series 2018C. The bonds mature serially each March 1, starting 2019 until 2043. The bonds were issued as education revenue bonds, and have interest rates ranging from 6% to 8.5%, and are collateralized by a deed of trust and pledge of revenues of ILTexas.

On December 20, 2018 ILTexas issued \$344,220,000 Education Revenue Bonds – Series 2018D and \$12,855,000 of Taxable Education Revenue Bonds – Series 2018E. The bonds mature serially each August 15, starting 2020 until 2048. The bonds were issued as education revenue bonds, and have interest rates ranging from 5% to 6.125%, and are collateralized by a deed of trust and pledge of revenues of ILTexas.

On June 1, 2021 ILTexas issued \$49,630,000 Education Revenue Bonds – Series 2021. The bonds mature serially each August 15, starting 2023 until 2041. The bonds were issued as education revenue bonds, have interest rates ranging from 3% to 5%, and are collateralized by a deed of trust and pledge of revenues of ILTexas. The bonds are guaranteed by the Permanent School Fund of the State of Texas.

Proceeds of the bonds were used for capital asset purchases, construction, repayment of previously issued debt and establishing reserves for future debt service. The bonds are secured by notes issued under the master trust indenture, and such notes are secured by real estate.

The master trust indenture establishes ILTexas must maintain operating reserves in an amount equal to at least forty five days of actual expenses for the year ended June 30, 2022 as well as a debt service coverage ratio, which stipulates that available revenues for each fiscal year must be equal to at least 1.10 times the annual debt service of ILTexas as of the end of each fiscal year until the individual bond or notes have been paid in full. During the year ended June 30, 2022, ILTexas was in compliance with these requirements.

The required debt service payments to satisfy the requirements of the bonds are as follows for the years ending June 30:

	Principal	Interest	Total
2023	\$ 8,865,793	\$ 30,389,894	\$ 39,255,687

In April 2020, ILTexas entered into a line of credit agreement with a bank whereby it may borrow up to \$35,000,000, with interest due at 3.15%. Interest payments are due monthly with principal due upon maturity on April 23, 2023. As of June 30, 2022, \$20,000,000 in advances were outstanding on the line of credit. The line is collateralized under the master trust indenture.

In April 2020, ILTexas entered into a separate line of credit agreement with a bank whereby it may borrow up to \$10,000,000, with interest due at 4.00%. Interest payments are due monthly with principal due upon maturity on April 23, 2023. As of June 30, 2022, there is no outstanding advances on the line of credit. The line is collateralized under the master trust indenture.

In March 2022, ILTexas entered into a line of credit agreement with a bank whereby it may borrow up to \$60,000,000, with increasing interest due at the Bloomberg Short Term Bank Yield Index rate (2.85% at June 30, 2022) increasing by 1.95% per annum. Interest payments are due monthly with principal due upon maturity on August 31, 2025. As of June 30, 2022, \$30,000,000 in advances were outstanding on the line of credit. The line is collateralized under the master trust indenture.

Future maturities on the lines of credit are as follows for the years ending June 30:

2023	\$ 20,000,000
2024	-
2025	-
2026	30,000,000
	\$ 50,000,000

Interest expense on long-term debt for the years ended June 30, 2022 and 2021 totaled \$30,752,618 and \$29,549,198, respectively.

8. Net Assets with Donor Restrictions

Net assets with donor restrictions represent resources received from the state to be used under management's discretion for educational purposes.

9. Defined Benefit Pension Plan

Plan Description

ILTexas contributes to the Teacher Retirement System of Texas (TRS), a cost-sharing, multiple-employer defined benefit pension plan with one exception; all risks and costs are not shared by the charter school, but are the liability of the State of Texas. TRS administers retirement and disability annuities, and death and survivor benefits to employees and beneficiaries of employees of the public school systems of Texas. It operates primarily under the provisions of the Texas Constitution, Article XVI, Sec. 67, and Texas Government code, Title 8, Chapters 803 and 805, respectively. The Texas state legislature has the authority to establish and amend benefit provisions of the pension plan and may, under certain circumstances, grant special authority to the TRS Board of Trustees. TRS issues a publicly available financial report that includes financial statements and required supplementary information for the defined benefit plan. That report may be obtained by writing to the TRS Communications Department, 1000 Red River Street, Austin, Texas 78701 or by calling the TRS Communications Department at 1-800-223-8778, or by downloading the report from the TRS Internet website, www.trs.state.tx.us, under the TRS Publications Heading.

Funding Policy

Plan members contributed 8% of their annual covered salary in 2022. ILTexas contributes 7.75% for new members of the first 90 days of employment, and the state of Texas contributes 7.75%. Additionally, ILTexas makes a 1.7% non-OASDI payment for all TRS eligible employees. ILTexas contributions do not represent more than 5% of the TRS' total contributions. For the year ended June 30, 2022 and 2021, ILTexas contributed \$999,965 and \$854,251 to TRS, respectively.

The risks of participating in a multi-employer, defined benefit plan are different from single-employer plans because (a) amounts contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers and (b) if an employer stops contributing to TRS, unfunded obligations of TRS may be required to be borne by the remaining employers. There is not withdrawal penalty for leaving TRS.

Total TRS plan assets as of August 31, 2021 and 2020 were \$223 billion and \$184 billion, respectively. Accumulated benefit obligation as of August 31, 2021 and 2020 was \$227 billion and \$219 billion, respectively. The plan was 88.79% and 75.54% funded as of August 31, 2021 and 2020, respectively.

10. Health Care Coverage

During the years ended June 30, 2022 and 2021, full-time employees of ILTexas were covered by a health insurance plan. ILTexas contributed \$429 per month per employee for the period from September 1, 2021 to June 30, 2022 and \$397 per month per employee for the period from September 1, 2020 to June 30, 2021 to the plan.

Employees, at their option, authorized payroll withholdings to pay contributions or premiums for their dependents. All premiums were paid to licensed insurers.

11. Contingencies

ILTexas receives funds through state and federal programs that are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to TEA and is subject to audit and adjustment.

Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by ILTexas have complex compliance requirements and, should state or federal auditors discover areas of noncompliance, funds may be subject to refund if so determined by the TEA or other grantor agency.

Litigation

ILTexas is contingently liable in connection with certain claims and contracts, including those currently in litigation, arising in the normal course of its activities. Although there are inherent uncertainties in any litigation, ILTexas' management and general counsel are of the opinion that the outcome of such matters will not have a material effect on ILTexas' financial position.

12. Functional Allocation of Expenses

Expenses are reported by their functional classification as program services or management and general or fundraising. Program services are the direct conduct or supervision of activities that fulfill the purposes for which ILTexas exists. Fundraising activities include the solicitation of contributions of money, securities, material, facilities, other assets, and time. Management and general activities are not directly identifiable with specific program or fundraising activities.

Expenses that are attributable to one or more program or supporting activities are allocated among the activities benefited. Salaries and related costs are charged directly either to program services, fundraising or administration based on actual time worked in each area. Information technology costs, depreciation, interest expense, and occupancy costs are allocated based on whether the costs are associated with instructional campuses (program services) or with administrative buildings.

13. Liquidity and Availability of Resources

ILTexas relies on state aid and federal grants to meet general expenditures related to operations. For purposes of analyzing resources available to meet general expenditures over a twelve-month period. ILTexas considers all expenditures related to its ongoing activities of education as well as the conduct of services undertaken to support those activities, to be general expenditures.

As part of ILTexas' liquidity management, it structures its financial assets to be available as its general expenditures and liabilities become due or as additional funding opportunities are presented by maintaining a significant portion of its assets in cash.

ILTexas' financial assets available within one year of the statements of financial position date for general expenditure are as follows:

	2022	2021
Financial assets at June 30:		
Cash and cash equivalents	\$ 74,820,835	\$ 71,469,062
Restricted cash and cash equivalents	59,223,280	64,786,714

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors of International Leadership of Texas, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of International Leadership of Texas, Inc. (ILTexas), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 26, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered ILTexas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ILTexas' internal control. Accordingly, we do not express an opinion on the effectiveness of ILTexas' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of ILTexas' financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether ILTexas' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ILTexas' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ILTexas' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors of International Leadership of Texas, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited International Leadership of Texas, Inc.'s (ILTexas) compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of ILTexas' major federal programs for the year ended June 30, 2022. ILTexas' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, ILTexas complied in all material respects, with the types of compliance requirements referred to above that could have a direct and material effects on each of its major federal programs for the year ended June 30, 2022

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of ILTexas and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of ILTexas' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to ILTexas' federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on ILTexas' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about ILTexas' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding ILTexas' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of ILTexas' internal control over compliance relevant to the audit
 in order to design audit procedures that are appropriate in the circumstances and to test
 and report on internal control over compliance in accordance with the Uniform Guidance,
 but not for the purpose of expressing an opinion on the effectiveness of ILTexas' internal
 control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose

<u>Section IV – Summary of Prior Year Audit Findings</u>

Finding 2021-001 Allowable Activities: Internal Controls over Food Program Manual Meal Count Process

Summary: During the fiscal year, ILTexas operated a child nutrition program which delivered meals to campuses, homes, and other service centers throughout Texas. The food was for eligible children, funded by the U.S. Department of Agriculture, and administered by the TDA. Due to the pandemic, ILTexas served meals to students in a drive up grab and go manner and added additional sites for meal delivery. During an internal audit, ILTexas discovered a former employee had authorized food deliveries to sites not approved by the TDA. When funding claims were submitted, unauthorized sites were included with authorized sites. The sites utilized manual meal count sheets to record meals served to eligible students and families. ILTexas also discovered, the written meal count sheets were not properly documented in accordance with the TDA operating guidance.

Status: This finding was corrected in 2022.

Total Expenditures of Federal Awards			\$ 41,139,514

International Leadership of Texas, Inc. Notes to Schedule of Expenditures of Federal Awards

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (Schedule) presents the activity of all applicable federal award programs of ILTexas. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Because the Schedule presents only a selected portion of the operations of ILTexas, it is not intended to and does not present the financial position, changes in net assets or cash flows of ILTexas.

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. ILTexas has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

2. Food Commodities

Food commodities are recognized as federal expenditures when distributed. Distributed food is reported in the Schedule under the National School Lunch Program and is valued based on amounts reported to ILTexas by the Texas Department of Agriculture. These amounts are considered to be non-cash assistance to ILTexas.

ILTexas received non-cash assistance in the form of food commodities totaling \$665,868 for the year ended June 30, 2022.
